**Eid Ul-Fitr: You can use the following words:**

celebrate – end - fasting – pray – mosque – Eid prayer – visit – family – money – big meal

**Eid Ul-Fitr**

*Eid ul-Fitr is one of the most important events in our country. We celebrate the end of fasting. Eid ul-Fitr is on the 1<sup>st</sup> of Shawwal. We get up early in the morning and go to pray in the mosque or on open yards. After Eid prayer, we visit family and friend. They give us money to be happy. We go home and have a big meal. It is a nice day. I like it.*

***This is an example that you can follow, write the same, or write something like it. You also can use the key words or not. Even, you can write fewer words than that.***
