### 3 Reading Comprehension

10

10

**Read the following passage and answer the questions:**

Ahmad is sixteen years old . He is very intelligent and polite. He likes playing computer games very much. He has been playing computer games ever since his father got him his first computer when he was six . Ahmad is kind and outgoing . He has an awesome sense of humour . He has a lot of friends and they are also smart like him. He is very interested in hanging out with his friends. They usually go to the local sports club. They sometimes go to a restaurant or a café. They often meet at weekends to play football matches .

Ahmad is very good at school. His favourite subject is science. He wants to be a scientist. Ahmad's teachers are very helpful. They always encourage him to make researches on the latest inventions . They hope that he will achieve all his dreams. They provide him with all the information he needs .
